Our Ref: PSC/C1910715

Date: 14 December 2017

Dear Mr Patel

The Environmental Permitting (England and Wales) Regulations 2016

CONFIRMATION OF REGISTRATION

Name of the establishment or undertaking: **Haz Industrial Services Ltd**

Location of the activity: **Bullock Street, West Bromwich, West Midlands, B70 7HE,**

Date of Registration: **13/12/2017**

With reference to your submission received on 10/11/2017, to carry out the repair or refurbishment of Waste Electrical and Electronic Equipment under waste exemption T11 of the above Regulations at the above site.

We can confirm that the operation has been registered as exempt.

The exemption will remain valid at this site until **13/12/2020**. We will remind you that the exemption is due for renewal one month prior to this date. You can renew at any time during the month prior to expiry, but if you fail to renew during this period, you will have to make a new application.

Although the above operation is now registered, it remains so only whilst you operate within the terms and conditions of the exemption and whilst you do not cause pollution, harm to the human health or detriment to amenity. It is a criminal offence to carry out this type of operation without an exemption or environmental permit. It is your responsibility to ensure that you know what the legislation requires and that you operate within it.

If you have any queries about this matter please contact us by telephone on 03708 506 506 or email us at enquiries@environment-agency.gov.uk quoting your site reference number NC2/061102/2017

Yours sincerely

This confirmation email has been sent to all contacts responsible for this waste operation.

This is not a permit

Your responsibilities

The business or organisation responsible for carrying out the exempt waste operations agrees to:

- comply with all limits on waste types and quantities
- comply with all conditions governing how waste must be stored, handled and treated
- carry out the operations without endangering human health or harming the environment

For the operations to remain exempt they must be carried out without:

- causing risk to water, air, soil, plants or animals
- causing a nuisance through noise and odours
- negatively affecting the countryside or places of special interest

In sensitive locations extra controls may be needed over and above those set out in the exemptions to make sure this happens.
